

Announcement

BRITISH LUNG FOUNDATION GRANTS

Applications are invited for the following categories of awards for research carried out in the U.K. into any aspect of respiratory disease. The awards are available to both clinical and non-clinical applicants.

Fellowships. Funds are available to cover the salary of a specified research worker for a stated period, with an allowance for necessary supporting costs. Applicants must have at least a post-doctoral or post-graduate qualification.

Project Grants. Funds are available up to a value of £60 000 to cover any costs appropriate to a stated project. This may include salary costs. Applications will be considered for awards well below the maximum.

The closing date for applications is 6 March 1992. Application forms are available from (please quote reference RM/BLF/92/1 when applying): British Lung Foundation, 8 Peterborough Mews, London SW6 3BL, U.K. (Tel: 071-371 7704)
